What Past Participants Say:

“I attended Wayne Story’s Internet Marketing Workshop. **Internet sales have increased 131% in less than 3 months.** I learned techniques to improve my position when people search for my product. I have moved from number 12 on the second page of MSN to number 3 on the first page. On Google I moved from somewhere on the fourth page to number 4 on the first page.”

Robert Mize, President, HiddenSecretsCovers.com, Albuquerque
